

2024 An Evening to Remember

Dear Friends and Supporters,

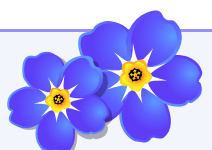

The Forget Me Not Foundation (FMN) is proud to present “An Evening to Remember” on Friday, October 25, 2024. We are confident this will be our best year yet! We will celebrate Emma Grace, who would be turning 15 this year, and the memories of all the babies who left us far too soon, but not before touching our hearts and our lives.

Due to your support and generosity, FMN has made a positive difference over the past 15 years. Our memory boxes and supplies are now in more than 120 hospitals! FMN has also hosted over ten Perinatal Loss and Bereavement trainings educating hundreds of doctors, nurses, and social workers over the past decade. We have seen the potential of how vast our reach to help families can be; are more inspired and driven to continue our mission and as always, we can't do it without you.

Please review the enclosed information to see how you can help make our 15th anniversary “An Evening to Remember” the best and most successful event yet! Thank you for your continued support of the Forget Me Not Foundation. We look forward to seeing you in October!

Sincerely,

Dave and Melissa Barry
Founders, Forget Me Not Foundation
